

For Immediate Release

HAYNES APPERSON FIREWORKS RESCHEDULED FOR FRIDAY NIGHT!

From: Paul G. Wyman, Chairman Haynes Apperson Festival

To: All Media

Date: July 5, 2001

Contact: Paul Wyman 765-419-1021

The Annual Haynes Apperson Fireworks have been rescheduled for this Friday July 8, 2011 in conjunction with the City's Summer Concert Series in Foster Park. This Friday nights free concert is Lukas Nelson and The Promise Of The Real. The Fireworks show will start at approximately 10pm, following the concert in Foster Park, Kokomo, IN.

"This is a great opportunity for another fun evening for the residents of our community," said festival Chairman Paul Wyman. "It was unfortunate we had to cancel due to weather this past weekend, but Friday night will be a great opportunity for families to come to a free concert and watch the fireworks show from the lawn in front of the beautiful pavilion in Foster Park." He added.

"We are excited about the Fireworks being this Friday evening, said Mayor Goodnight. It will be great to see all the families in the park enjoying the music and fireworks. We are also asking the people who attend to bring a canned food item to help Kokomo Urban Outreach restock their food pantry shelves." he added.

Bona Vista is this showcase nonprofit for the evening. "We are thrilled that the fireworks are part of the concert this Friday. It will give thousands of people an opportunity to meet and greet our staff from Bona Vista." said Jill Dunn, President, Bona Vista.

There will be limited parking inside the park due to the fireworks drop zone. Please use all free City parking lots downtown and legal side street parking in the vicinity of the park. Areas where there is no parking will be clearly marked.

For Further information please contact Paul Wyman, Festival Chairman – 765-419-1021.
